## MAXIM 3000

Our **MAXIM 3000**, with its modern design, is the first entirely double-walled restroom, perfectly smooth for easy cleaning. With well-placed accessories, this unit offers a spacious interior, along with total manageability thanks to its hand grips and ergonomic shape. The optional fresh water flushing system offers you a tank incorporated into the base, resulting in absolutely zero loss in space.

### Accessories/Options

- ❶ Basic flush kit (hand pump)
- ❷ Deluxe flush kit (hand pump)
- ❸ «Swish» flushing system with liftable deck (hand pump)
- ❹ Deluxe flush kit (foot pump)
- ❺ Deluxe fresh water flush kit (foot pump) (capacity 72 l)
- ❻ Maxim 3000 handwash (capacity 38 l)
- ❼ Kit to lift the Maxim 3000 with an empty tank
- ❽ Kit to lift the Maxim 3000 with a full tank
- ❾ Stainless steel bowl (only in combination with ❹/❺)

Additionally, we also offer further accessories such as: soap dispensers, towel dispensers, corner shelf, gender indicators, mirror, 4-roll toilet paper holder and solar light.
