When You Compare The Quality There Is No Comparison

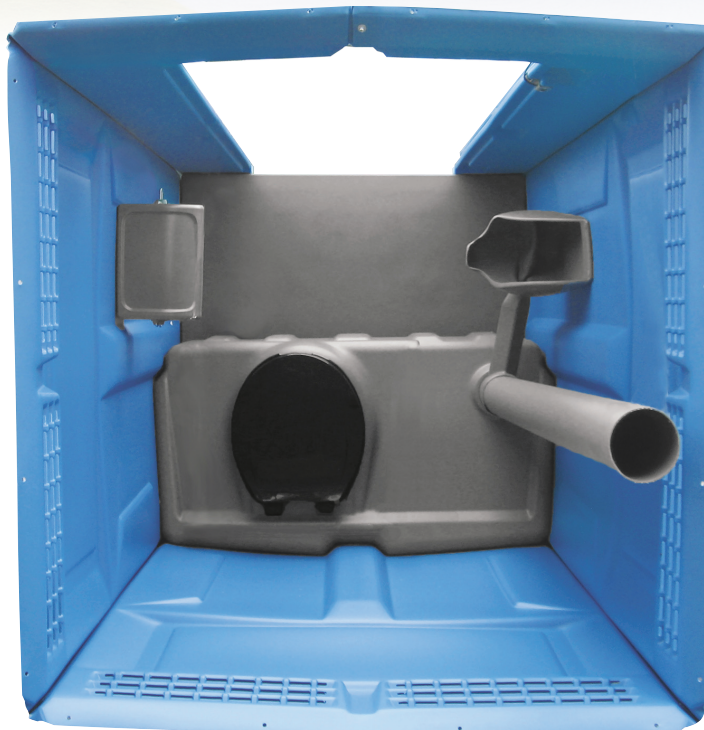

SUMPED TANK

The smooth, deep sumped tank provides effective deodorizer depth and unobstructed, easy pumping with no ledges to trap waste.

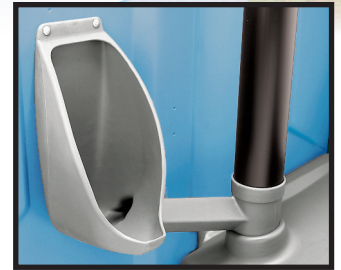

MOLDED-IN AIR VENTS

A recent upgrade to the Tufway is molded-in air vents to further reduce maintenance costs and improve the overall air flow.

Tufway restrooms are very spacious and well ventilated. The seat and urinal are positioned far apart to provide a more pleasant experience for users.

SINGLE PIECE URINAL

Extended front lip and diamond shaped, non-clogging drain tube helps keep the floor cleaner and reduce odors.

LARGE LOGO AREA

Advertising your business is critical. With this large 29.5 x 12 inch space your logo will be plainly seen from a long distance.
